**REPORT AND RECOMMENDATION CONCERNING PLEA OF GUILTY
(PLEA AGREEMENT)**

The United States of America and the defendant, having both filed a written consent to conduct of the plea proceedings by a magistrate judge, appeared before me pursuant to Fed. R. Crim. P. 11 and LCrR 11. The defendant entered a plea of guilty to a lesser-included offense of Count 1 of the Indictment, that is conspiracy to manufacture at least 100 marijuana plants, in violation of 21 U.S.C. § 841(b)(1)(B). **The plea agreement provides that at the time of sentencing the government may argue and present evidence that the amount of marijuana involved in the conspiracy was at least 1000 marijuana plants and that defendant should be sentenced under 21 U.S.C. § 841(b)(1)(A).** The parties agree that the sentencing judge rather than a jury will be the fact-finder as to the number of marijuana plants involved in the conspiracy. After advising and questioning the defendant under oath concerning each of the subjects addressed in Rule 11(b)(1), I determined that

the guilty plea was in its entirety voluntarily, knowingly and intelligently made and did not result from force, threats, or promises (other than promises in the plea agreement). I further determined that there is a factual basis for the guilty plea on each of the essential elements of the offense(s) in question. A plea agreement was disclosed at the plea proceeding and defendant stated he understood its terms and agreed to be bound by them. To the extent the plea agreement is of the type specified in Rule 11(c)(1)(A) or (C) defendant was advised the district judge to whom the case is assigned may accept the plea agreement, reject it, or defer a decision whether to accept or reject it until the judge has reviewed the presentence report as provided by Rule 11(c)(3)(A). To the extent the plea agreement is of the type specified in Rule 11(c)(1)(B) defendant was advised by the Court that defendant has no right to withdraw the plea if the Court does not follow a recommendation or request in question.

I recommend that the plea of guilty be accepted and that the defendant be adjudged guilty and have sentence imposed accordingly. A presentence report has been ordered and a sentencing status conference scheduled.
